GRE® for International Students

Emphasis

Our Graduate Record Examination (GRE®) Preparation program for International Students has been developed to help international students meet the requirements of the GRE. The test is required for most Master's or Doctorate degree programs in the USA.

This program is right for you if:

- You want to apply for a Master's or Doctorate degree in the USA
- You want to give yourself the best chance of success by focusing on verbal skills, strategies and analytical writing
- You want to prepare for your test with exclusive course materials which have been developed with your needs in mind

Your classes

GRE preparation

Your GRE® preparation classes will focus in detail on each aspect of the test using Kaplan's exclusive course materials to help you achieve the best results possible.

Structured Study

Your Structured Study sessions are an integral part of your course during which you will have access to our extensive library of study materials. Completing regular practice tests in our computer labs will also help you build your skills and confidence as you continually work towards a higher score.

Teaching component

After the GRE preparation classes have ended, your teacher will continue to meet with the class once a week for one hour to review key concepts and strategies, and to answer student questions. These sessions will provide you with ongoing support during Structured Study, and will help you to improve your writing, vocabulary, reading comprehension, and math skills.
